Act of 1871

A thread

This is Long but halfway through it will start being filled with BOOMs ending in a MEGA BOOM!

Promise!

**The Act of 1871: The “United States” Is a Corporation – There are Two ...**

(POPEYE) Since the Act of 1871 which established the District of Columbia, we have been living under the UNITED STATES CORPORATION which is owned by certain international bankers and aristocracy ...

<https://www.federaljack.com/slavery-by-consent-the-united-states-corporation/>

It operates in an economic capacity and has been used to fool the People into unknowingly becoming indentured and indebted to the new corporation, THE UNITED STATES, and that it governs the Republic. It does not!

Capitalization is NOT insignificant when one is referring to a legal document. This seemingly “minor” alteration has had a major impact on every subsequent generation of Americans.

With no constitutional authority to do so, Congress created a separate form of government for the District of Columbia, a ten-mile square parcel of land (see, Acts of the Forty-first Congress," Section 34, Session III, chapters 61 and 62).

The act — passed when the country was weakened and financially depleted in the aftermath of the Civil War — was a strategic move by foreign interests (international bankers) who were intent upon gaining a stranglehold on the coffers and neck of America.

Congress cut a deal with the international bankers (specifically Rothschilds of London) to incur a DEBT to said bankers. Because the bankers were not about to lend money to a floundering nation without serious stipulations, they devised a way to get their foot in the door of the United States.

The Act of 1871 formed a corporation called THE UNITED STATES. The corporation, OWNED by foreign interests, moved in and shoved the original Constitution into a dustbin. With the Act of 1871, the organic Constitution was defaced — in effect vandalized and sabotage — when the title was capitalized and the word "for" was changed to "of" in the title.

THE CONSTITUTION OF THE UNITED STATES OF AMERICA is the constitution of the incorporated UNITED STATES OF AMERICA.

The TL; DR version is they, by military force, and illegitimate legislature, amended the constitution against the will of The People and legally tricked us into becoming unwitting indentured slaves of human capital and resources to THE UNITED STATES OF AMERICA (the corporation)

## 2. Republic vs Democracy

-They needed to get away from the Republic and create a Democracy in order to drive us towards socialism and inevitably a dictatorship (National Socialist Party aka NAZI)

Republic	DEMOCRACY
<p>"Libera Res Publica" Free from Things Public</p> <p>"I pledge allegiance to The United States of America, and to the Republic for which it stands, One nation under God"</p>	<p>Emphasizes "Democracy" which is the next thing to "Socialism" which is another form of "Communism".</p> <p>Did you say Communism? Can't happen here? Check this out!</p> <p><a href="#">Communist Manifesto</a></p>

**"Democracy"**  
(means "Priest rule")

"A democracy cannot exist as a permanent form of government. It can only exist until the voters discover that they can vote themselves generous gifts from the public treasury. From that moment on, the majority always votes for the candidates promising the most benefits from the public treasury with the result that a democracy always collapses over loose fiscal policy, always followed by a dictatorship. The average age of the world's greatest civilizations from the beginning of history, has been about 200 years. During those 200 years, these nations always progressed through the following sequence: from bondage to spiritual faith; from spiritual faith to great courage; from courage to liberty; from liberty to abundance; from abundance to selfishness; from selfishness to complacency; from complacency to apathy; from apathy to dependency; from dependency back again to bondage."

--Attributed to Scottish History Professor at University of Edinburgh  
Sir Alexander Fraser Tytler (1747-1813) and others

"...often the most tyrannical government  
on earth."  
--Noah Webster

Those in power behind the scenes dress up their candidates for office, help them get elected, and

then control them while in office. Supposedly giving you a choice when both major Political parties and other parties are controlled by them. Their controlled major media is used to control and direct public opinion. So, you wonder who is really in control--It's definitely not the people.

"Democracy is the road to socialism." --Karl Marx

Plato postulated "Dictatorship naturally arises out of democracy..."

### 3. Flag

-USA Military Flag

-USA Civil Flag

-THE USA Corporation Flag (Gold Fringe)

- Some say it is a flag of Admiralty/Maritime type jurisdiction and is not supposed to be used on Land. Others say it's not a flag at all, but fiction.

However, the gold fringe which surrounds the flag gives notice that the American flag has been captured and is now being used by the corporate so-called government to give notice of its jurisdiction.

- The flag shown above is Not described in Title 4 of USC and therefore is illegal on land except for maybe (1) the President since he is in charge of Naval Forces on high seas, and (2) naval offices and yards.

-The so-called justification for a Naval/Maritime flag to be on land is that all land was under the high water mark at one time even if it was eons ago. (Great Flood anyone???)

### 4. Governing Body

-We thought our 3 branches of government were for checks and balances... WRONG.  
In the Corporate Law check out how it really works:

## GOVERNING BODY

The President (a Caesar)  
rules by **Executive Order**  
(Unconstitutional)

Congress and the Courts  
are under the President.

Did you ever wonder why Congress is ignored by  
the President?

The President is the Chief Executive Officer  
(C.E.O.) of the government corporation.  
Impeachment today is nearly impossible, unless  
it is in the best interest of the controlling bankers  
and the one-world government elite.  
Also, what most people do not realize is that  
most courts today are legislative courts  
and not Judicial.

The so-called (corporate) Congress  
sits by **resolution**  
not by positive law.

Therefore, the position of power is as follows:

1. President (C.E.O of the corporation sits as  
Caesar  
--does not need congressional approval)
2. Legislature (The new Congress and  
Senate voices Public Opinion)
3. so-called Judicial (Legislative, Article I  
courts) opionate what's best for the  
corporate so-called government and the  
elite
4. Non-existent Judicial  
(Article III courts)  
except for Special circumstances  
that benefit the elite

The top position has control over the second  
position and the second position has control over  
the last position vertically and not laterally.

---

- There are no checks and balances and the President can rule with supreme power through executive order
- Each puppet that comes into office wears a different costume but ends up serving the same master. (The Masters are the Elite and Bankers operating behind the scenes)

5. Medium of Exchange

- Used to be Gold and Silver
- now we play with paper and digital money, that is basically a grandiose IOU created out of thin air, that the bankers collect back with interest, all designed to further the wealth disparity between the elite and The People.

Medium of Exchange	MEDIUM OF EXCHANGE
 <b>Lawful Money</b>	 <b>Legal Tender</b> Units of Monetized Debt
Has <b>substance</b>	Has <u>no</u> substance--Built on <u>credit</u>
Controlled by <u>Treasury</u> of the united States of America	Controlled by <u>US Treasury</u>
 <b>Real Money</b> Assets of value such as gold or silver or can be exchanged for same.	 <b>Phony Money</b> Not backed by assets but thrives on faith alone.
<p>Many of the older generations of the American people were taught to write the "S" with two lines through it. The two lines was a derivative of the "U" inside the "S" signifying "Units of Silver". The United States of America silver dollar is the accepted and approved uniform monetary unit (coin standard). The United States of America did not issue paper money until 85 years after its independence from Britain, and when it did, it was backed by silver or gold. Even at that, early Californians refused to accept and use paper currency, especially the people in San Francisco.</p>	<p>Today, all computer programs, stock certificates, financial paper, accounting records, balance sheets and summaries, bills, bonds, Promissory notes, bank paper such as checks, et cetera use the familiar symbol <b>\$</b> having only one line through it to denote the amount of debt considered.</p> <p>All Notes are "I Owe You's" (IOU's) including <b>Federal Reserve Notes</b> (FRN's) All Notes represent debt. The corporate UNITED STATES is in bankruptcy and has no assets but can only monetize debt.</p>

Debt with interest is a system of perpetual debt continually passed on to the people beneath until the debt gap consumes all but those who own the debt.

6. Sovereigns vs SUBJECTS

- Look at the name on Driver's Licenses, Social Security cards, Credit Cards, Deeds, Bank Accounts, etc.

>>name in ALL CAPS, isn't it?

Sovereigns	SUBJECTS
<p>Living Souls coming out of mother's womb onto the land of one of the several states of America are "Sovereign", "Freemen", "Free inhabitant", and "Freeborn" unless that right is given up knowingly, intentionally, and voluntarily upon full disclosure.</p> <p style="text-align: center;"><b>Amendment X</b></p> <p style="font-size: x-small;">"The powers <u>not</u> delegated to the United States by the Constitution, ...are reserved to ...the people."</p>	<p>US citizens (Chattel Property) are belligerents in the field and are "subject to its jurisdiction" (Washington DC)</p> <p>U.S. citizens are <b>14th Amendment</b> citizens implemented by the Civil Rights Act of 1866 originally established for the newly freed slaves. That is to say: "Now slaves of the corporate government plantation"</p>

## Legal Name

is a "Prisoner of war" name  
Fictitious " *nom de guerre* " name  
for a non-living entity:  
also referred to as the "Strawman"  
and/or "Transmitting Utility"

JOHN DOE  
Name is in all capital letters  
a.k.a. all CAPS  
which is in a format called  
**Capitus Diminutio Maxima**

**Capitus Diminutio Maxima**  
(Maximum diminished status)  
means that a man's condition changes from  
freedom to **bondage**  
and becomes a slave or an item of inventory.

--Blacks Law Dictionary, Revised 4th Edition 1968

John C. Doe  
Note: middle initial  
(No name at all--A fiction)

First Name: JOHN  
Middle Initial: C.  
Last Name: DOE

A *fictional persona*  
being surety for the debt  
as a fiction in commerce

Also known as an " **Ens Legis** "  
which means 'legal entity'.  
It is non-human, 'civilly dead'.

-Your birth certificate has your footprint on it before it touches the land.  
>>you are thereby a corporate government asset before you even knew what  
happened, signed off by your mother (unknowingly yet knowingly) thereby getting  
past the universal law of "free will"

Today, almost all mothers, black or white, unknowingly inform on their own babies. Take a look at the so-called "Birth Certificate" CERTIFICATE OF LIVE BIRTH where the mother signs and you will see the title of the box stating in small print:

**"MOTHER OR OTHER INFORMANT".**

The word "OTHER" makes **the mother "an informant."** By signing the "Birth Certificate" as an informer, she contracts with the government putting her child and her child's future labor as collateral for the national debt (servitude--slavery). The father or mother can rescind the contract within three business days (Truth-in-Lending).

Since the Birth Certificate neither lists the father as the husband nor lists the wife's acceptance of the father's surname as her own but has the mother's maiden name instead, the baby is considered a **BASTARD**. Bastards are therefore under the care and control of the Priest Rule (democracy) and can be taken from the mother at any time.

The **hospitals** receive a fairly large monetary benefit (\$3,000, more or less, per child) from the corporate government for having Birth Certificates filled out and signed.

#### 7. Elector vs VOTER

- "Registering to vote" is an admission that the declarant is subject to the exclusive legislative power of the corporate Congress and is a 14th Amendment citizen residing in federal territory.

#### AMENDMENT XIV

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the state wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

Elector	VOTER
<p>The "Electoral college of electors" are the ones that actually determine who will be President - not any popular vote, poll, media, or statistic.</p> <p>An <b>Elector</b> is Not subject to exclusive legislative power of Congress.</p> <p>Almost anyone can become an elector. Did not have to be a registered voter or a party member.</p> <p>Currently, there are <b>538 elector positions</b>. It now takes 270 Electoral Votes to win the Presidential Election.</p>	<p>"Registering to vote" is an admission that the declarant is subject to the exclusive legislative power of the corporate Congress and is a 14th Amendment citizen residing in federal territory.</p> <p>"... the right to vote at any election... is denied... except for participation in rebellion, or other crime..." --Section 2 of the 14th Amendment, U.S. Constitution</p> <p>Rather than remaining a state national, one becomes a U.S. citizen participating in the rebellion by voting in the corporate government system and or signing up for benefits and privileges.</p> <p>"Stop and think for a moment as to voting. When you vote for an office to be filled in the UNITED STATES OF AMERICA or one of its SUB-CORPORATIONS (THE STATE OF TEXAS), you have voted to fill a fictional corporate position designed to represent the CORPORATION, not a political position to represent the people. All elections in the "United States" are nothing more than proxy fights in a board room!" --Ed. Brannum (Secretary of Privatization; Provisional Government; Republic of Texas)</p>

Essentially, since you are voting in (their) elections then you are admitting, through registration and voting, that you do in fact belong to their system.

### 8. Justice System vs "JUST-US" SYSTEM

-it really is set up to benefit (them) and not us. He who has control of the money has control over the laws of the land and thus the control of its people--- and in our case all US CITIZENS (corporate assets/property)

Justice System	"JUST-US" SYSTEM
<p>Free inhabitants are under God's commandments, one's conscience, and the English Common Law (Jury)</p> <p>Citizens within the Northwest territory are under the written legislated laws created by Congress which is adjudicated via the Judicial Branch of government established by "Article III" of the Constitution</p>	<p>So-called Judicial system and Legislature are under the President</p> <p>Most courts today are <b>Article I</b> or <b>Article II</b> courts.</p>
<p>Separate from Executive and Legislative branches of government "serving the People" under Constitutional mandates.</p>	<p>The so-called Judicial is <u>not</u> separate although it may appear that way.</p> <p>Most so-called courts today are listed in <b>Dun &amp; Bradstreet</b> as a <b>private company or corporation</b>, operating as a business for profit.</p>
<p><i>judicial</i> venue</p>	<p>federal (<i>feuda</i>) venue</p>
<p>Ministerial court system To serve the people--"Servant"</p>	<p>Administrative court system Responsible to the administration --"Support"</p>
<p>General Law Common Law "The nature of law is to maintain justice." --Bastiat 1848</p>	<p>Private, internal law "...the conversion of the law into an instrument of plunder." "Thus, in order to make plunder appear just and sacre to many consciences, it is only necessary for the law to decree and sanction it." --Bastiat 1848</p>
<p>Common Law (Law not written)</p> <p>Common Law is based on custom and usage and includes the <b>Magna Carta</b> and The great <b>Charter of the Forest</b></p> <p>Common Law has two basic requirements:</p> <ol style="list-style-type: none"> <li>1. Do not Offend Anyone</li> <li>2. Honor all contracts</li> </ol> <p>The 7th Amendment guarantees a trial by jury according to the rules of the <b>common law</b> when the value in controversy exceeds Twenty dollars [in silver specie; not FRN's]</p> <p>"When injustice becomes law, resistance becomes duty." -- Thomas Jefferson</p>	<p>Civil Law based on the Roman Civil Law</p> <p>Covers a vast number of volumes of text that even attorneys cant absorb or comprehend such as:</p> <ol style="list-style-type: none"> <li>1. Regulations</li> <li>2. Codes</li> <li>3. Rules</li> <li>4. Statutes</li> </ol> <p>There are now over 60 million of these so-called laws on the books. Keep in mind "ignorance of the law is no excuse" Everyone must be guilty of something. The more so-called laws, the more revenue generated.</p> <p>"The more corrupt the State, the more numerous the laws." --Cicero's <i>Tusculan Dis.</i> 1.5 (17-123)</p> <p>"The more numerous the laws, the more corrupt the state." --Bastiat law (1936-)</p> <p>Prior to bankruptcy of 1933 "Public Law"</p> <p>Now the so-called courts administer "Public Policy" through the "Uniform Commercial Code" (instituted in 1967)</p> <p style="background-color: #4f7942; color: white; text-align: center; padding: 2px;">Public Policy and UCC</p>

<p><b>Judges</b> (No black robes)</p> <p>The judicial officer is actually a coordinator who sits in on behalf of the people, for the good of the people, who swears by full oath of office to abide by and uphold the Constitution, and is there to give presenters and counselors equal opportunity to present their case, with fairness and un bias to all, whether it is pertaining to a controversy or one suspected of a crime or injustice, to produce and provide an impartial and fair trial or suite in Law by bringing forth the facts and the law to be <b>judged by the people</b> who are peers.</p> <p>The people are the ultimate "judges" of both the law and the facts.</p>	<p>The so-called judge, a corporate "black-robe" referee, an actor (acting judge), on a fictitious stage, sitting under a gold or yellow fringe flag, becomes the "captain" or "master" of that ship or enclave and has absolute power to make the rules at his whim as he goes; all the while talking to or about the fictitious PERSON.</p> <p>The so-called judge will sometimes not allow all of the facts to be heard or the so-called law examined because of his bias or is following orders of the corporate so-called government who may even want to have the case sealed from the public.</p> <p>If one does not conform to the judge's wishes, the judge, without proper cause, will send the non-conformist to a psychiatric ward for evaluation (intimidation) and sometimes left there to be <b>drugged</b> and not released until one is willing to conform to the judge's bias.</p> <p>This has happened many times in the latter years and has been personally witnessed by Myself concerning friends.</p> <p>"... the judiciary has usurped the law for its own purposes and replaced constitutional guarantees with a system in which judges rule by decree."-- <a href="http://www.tulanelink.com">www.tulanelink.com</a></p>
<p><b>Common Law Court</b></p> <p>is a "Court of Record" that proceeds according to Common Law, keeps a record of the proceedings, has power to fine or imprison, and the tribunal is independent of the magistrate. (May also have a seal)</p>	<p>These so-called courts are not "in law" but are simply acting on behalf of a corporate business enforcing it's contracts under the disguise of Equity Courts, Superior courts, Federal courts, District courts, Municipal Courts--Merchant Law, Military Law, Marshall Law, Summary Court Martial proceedings, and administrative <i>ad hoc</i> tribunals (similar to Admiralty/Maritime) and appear to be governed by "The Manual of Courts Martial" (under Acts of War) and the "War Powers Act of 1933."</p>
<p><b>Lawful</b> or Unlawful</p> <p>Based on God's law, the common law, and any law that any prudent man will abide by under normal circumstances without giving up one's rights or infringing upon another's rights.</p>	<p><b>Legal</b> or Illegal</p> <p>All legal actions are pursued under the "color of law"</p> <p>Color of law means "appears to be" law, but is <b>not</b></p> <p>"Because of what appears to be lawful commands on the surface, many Citizens, because of their respect for what appears to be law, are cunningly coerced into waiving their rights due to ignorance." --United States Supreme Court <i>US v. Miller</i> - 350 US 179 at 187 (1956)</p>
<p><b>Trial by Jury</b> of one's peers, whether Civil or Criminal.</p> <p>The people have the ultimate say in any matter.</p>	<p>Provides "hearings" whenever possible for total control unless one insists on having a <b>jury trial</b>.</p> <p>"Jury Trial" (recommendation) is not the same as "Trial by jury of one's peers."</p> <p style="background-color: #4f7942; color: white; text-align: center; padding: 2px;">Waste of time</p> <p>So-called judges have been known to overturn jury trial recommendations. <b>Hearings</b> are not mentioned in the constitutions.</p>

The Supreme Court for The United States of America	the UNITED STATES SUPREME COURT
The District Court for The United States of America were implemented for territories that were not states.	the UNITED STATES DISTRICT COURT
Lawyer or counsel for the states united	UNITED STATES DISTRICT ATTORNEY
<p><b>Prosecutor</b></p> <p>"In the early days of our Republic, 'prosecutor' was simply anyone who voluntarily went before</p>	<p><b>PROSECUTOR</b></p> <p>A government official who conducts criminal prosecutions <b>on behalf of the corporate STATE.</b></p> <p>An attorney who works for the LOCAL, STATE or FEDERAL GOVERNMENT.</p>

<p>the grand Jury with a complaint."</p> <p>--United States v. Sandford, Fed. Case No.16, 221 (C.C.L.D.C. 1806)</p>	<p>FEDERAL government to bring and initiate so-called criminal cases.</p> <p>At the LOCAL level, the prosecutor will usually be the COUNTY DISTRICT ATTORNEY's Office. In some cases the prosecutor may be from the CITY ATTORNEY's Office. The PROSECUTOR reviews evidence to determine if a complaint may be filed.</p>
<p><b>Counsel</b> to help the accused or the <b>lawyer</b> who knows and studies the law</p>	<p><b>Defense Attorney</b></p> <p>A so-called court can safely assume jurisdiction when one is re-presented by an attorney.</p>
<p><b>Must have damaged party</b></p>	<p><b>Compels</b> performance</p> <p>No damaged party is necessary.</p>
<p>Maintains rights, freedoms, and liberties of the people</p>	<p><b>No rights except</b> Civil Rights, and privileges that can be taken away at any time. Restricts freedoms and liberties.</p>
<p>Unalienable rights, fundamental rights, substantial rights and other rights of living souls are all protected by The Law and protected by The "organic" Constitution and its amendments.</p>	<p>US citizens are at the mercy of government and the administrative courts and tribunals</p> <p>Servants (subjects/ bond-servants) cannot sue the Master (Corporate government) unless allowed to.</p>
<p>The first ten articles of amendment to the constitution are sometimes referred to as "Bill of Rights" which is incorrect. They are not a "Bill" but are simply "amendments."</p>	<p>The actual "Bill of Rights" was a declaration in 1689 by King William and Queen Mary to their loyal subjects of the British crown.</p> <p><small>If you are in this jurisdiction, YOU ARE a subject of the crown as well?</small></p>
<p><b>Due Process</b> is required</p>	<p>Due Process is <b>optional</b>--Sometimes Gestapo-like tactics without reservation.</p>
<p><b>Innocent until proven guilty</b></p> <p>"No Bill Of Attainder or Ex-post Facto Law, shall be passed."</p> <p>--Constitution, in Article I, Section 9, Paragraph 3</p>	<p><b>"Guilty" until proven "not guilty"</b> (Especially, when faced with issues relating to the corporate government, its agents, and or its highwaymen.)</p> <p>The so-called judge will ask if one is "guilty" or "not guilty."</p> <p><b>Always claim to be "innocent."</b></p> <p>A "plea" enters one into a binding contract with the so-called court.</p>

## 9. Prisons for Incarceration vs prisons for profit

- More and more prisons today are privately owned and run as a profit-making commercial enterprise creating products and services for sale. It is believed that many judges hold stock or an interest in these privatized prisons.

To name a few **privateers**:

- Corrections Corporation of America (CCA)--founded in 1983, based in Nashville, Tennessee, now operates more than 77 facilities across the USA
- Wackenhut Services, Inc. of Florida
- Wackenhut Corrections Corp.(WCC)-- misappropriated over \$700,000 of funds in Texas, which were allocated by that state for drug rehabilitation programs. Directors consists of former members of the FBI and CIA.
- Becon-Wackenhut Inc. of Florida
- U.S. Corrections Corporation, a private company headquartered in Louisville, Kentucky--since 1986
- Rehabilitative Industries & Diversified Enterprises Inc. (PRIDE), a firm based in Clearwater, Florida, now manages all 53 Florida prison work programs as a for profit operation. PRIDE has made a \$4 million profit in one year. Many states considering privatization of prison industries are studying the PRIDE operation. PRIDE products range from optical and dental items to modular office systems.
- Pricor Corporation
- American Correctional Systems, Inc.
- Corrections Development Corporation
- Buckingham Security Ltd.
- Cornell Corrections--currently has contracts to operate 81 facilities in 17 states and the District of Columbia
- Correctional Services Corp.(CSC)
- **UNICOR**--a federal government-owned corporation established by the Franklin D. Roosevelt administration in 1934 otherwise known as "**Federal Prison Industries.**" UNICOR maintains factories in every Federal Prison in the country. Nationwide sales of "PRISON PRODUCED PRODUCTS" in year 2000 was 8.9 billion dollars. Some products produced are; office furniture, high tech military cable and wiring systems, mattress and box springs. camouflage

military uniforms, sheets, towels, pillow cases, brooms, mops, et cetera. UNICOR has now partnered with Spire, an American solar company, to manufacture photovoltaic modules and systems.

These commercially run prisons do not have the best interest of the Inmates or Staff in mind but the bottom line--PROFIT. They need a continuous supply of low-cost labor (slaves) to produce products in order to increase profits.

Even when the crime rate is down, these privateers lobby the appropriate governmental and judicial authorities to increase the incarceration rate in order to add to their already substantial profit taking. There are no checks and balances for monitoring this type of system.

### 10. Guarantees vs "quarantines"

-your rights, your land, your things, your money, they belong to the corporation and they will take them and do whatever they want with them through the legal processes they illegally set up through the Constitution of the Corporation.

Guarantees	"QUARANTINES"
<p style="text-align: center;"><b>Amendment IV</b></p> <p>"The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon <b>probable cause</b>, supported by <b>oath or affirmation</b>, and particularly <b>describing the place to be searched, and the persons or things to be seized</b>."</p>	<p>Warrantless and unreasonable searches in homes, airports, corporate government facilities, on the roadways (highways), etc.</p> <p>Government may search and seize Americans' papers and effects without probable cause to assist in so-called terror investigation. --Patriot Act</p> <p>In Nazi Germany, it started with: <i>"Where's your papers?"</i> or <i>"Your papers, please?!"</i></p> <p>History repeats itself. Now, it is: <i>"ID, please?"</i></p> <p>The I.D. called "Real ID" with biometrics is on the horizon and about to be implemented if not already.</p>
	<p style="text-align: center;"><b>Amendment V</b></p> <p>"...nor be deprived of life, liberty, or property, without <b>due process of law</b>; nor shall private property be taken for public use, without <b>just compensation</b>."</p> <p>"Man can live and satisfy his wants only by ceaseless labor; by the ceaseless application of his of his faculties to natural resources. This process is the origin of property. But it is also true that a man may live and satisfy his wants by seizing and consuming the products of the labor of others. This process is the origin of plunder." "...the proper purpose of law is to use the power of its collective force to stop this fatal tendency to plunder instead of work. All the measures of the law should protect property and punish plunder."</p> <p>"Thus it is easy to understand how law, instead of checking injustice, becomes the invincible weapon of injustice. It is easy to understand why the law is used by the legislator to destroy in varying degrees among the rest of the people, their personal independence by slavery, their liberty by oppression, and their property by plunder. This is done for the benefit of the person who makes the law, and in proportion to the power he holds."</p> <p>--1848 "THE LAW" by Claude Frederic Bastiat, a French economist, statesman, author, and philosopher.</p>
	<p>Property is constantly, currently, and consistently being taken for alleged taxes without due process and without just compensation.</p> <p>Land and property is now being taken by EMINENT DOMAIN for purposes not originally intended.</p> <p>All kinds of fees and penalties are being extorted from the people for so-called laws. The people can no longer win in court against the corporate government system. If one tries, one may be held "in contempt of court" and fined</p> <p>The Senate examined exactly what powers they had granted the President by amending the Trading With the Enemy Act on March 9, 1933, they concluded that: "Under these powers the president may: seize property; organize and control the means of production; seize commodities; assign military forces abroad; institute <b>martial law</b> [actually: Martial Rule]; seize and control all transportation and communication; regulate the operation of private industry; restrict travel, and in a plethora of particular ways, control the lives of all American citizens."</p> <p>--Senate Report 93-549.</p>

You can fight but you WILL lose. It is designed that way.

<p style="text-align: center;"><b>Amendment VI</b></p> <p>"In all criminal prosecutions, the accused shall enjoy the right to a <b>speedy and public trial</b>, by an <b>impartial jury</b>..., and to be informed of the <b>nature and cause</b> of the accusation; to be <b>confronted with the witnesses</b> against him; to have compulsory process for obtaining witnesses in his favor, and to have the <b>assistance of counsel</b> for his defense." (does not say "attorney")</p>	<p style="text-align: center;"><b>Government may jail Americans indefinitely without a trial.</b> --Patriot Act</p> <p style="text-align: center;">So-called Government may monitor federal prison jailhouse conversations between attorneys and clients, and deny counsel to Americans accused of crimes.</p> <p style="text-align: center;">Fascism police-state tactics and methods, similar to Nazi Germany</p> <p style="text-align: center;">"The privileges and immunities clause of the Fourteenth Amendment protects very few rights because it neither incorporates any of the Bill of Rights nor protects all rights of individual citizens. See Slaughter-House Cases, 83 U.S. (16 Wall.) 36, 21 L.Ed. 394 (1873). ### 11. States vs STATES

-All state governments today are corporations, not sovereign states.

-Only corporations are required to pay sales tax as entities of the corporate government.

-They got the CITIZENS to volunteer to pay up front sales tax on their behalf. Thanks Democrats!

States	STATES
"state" when used by itself refers to the "Republics" of the United states of America	In U.S. Titles and Codes "State" refers to U.S. possessions such as Puerto Rico, Guam, etc.
All of the states are "Republics" e.g. "California republic" "California state" or just "California" abbreviated "Calif."	All States are <b>corporations</b> incorporated with the federal corporation e.g. "State of California" corporate California California State STATE OF CALIFORNIA CA
Each state is a sovereign nation unto itself, free and independent	

**Indirect tax verses Direct**  
In some states, an indirect tax is implemented on certain specific items. Other states may not have any indirect tax, while others may have an indirect tax on all items sold by corporations. Although "direct taxes" are unconstitutional, "indirect taxes" are acceptable. A man or woman still has a choice to pay the tax or not. For example: Do not buy cigarettes if you do not want to pay the indirect tax. a "direct tax" is appropriate only by means of apportionment under certain circumstances.

**Sales Tax and Sales Permit**  
Only corporations are required to pay sales tax. The sales tax is what corporations are required to pay as creatures of the corporate government. But they got ordinary people volunteering to pay up front sales tax on their behalf directly. They also got other companies to collect sales tax up front as well by making a "Sales Permit" mandatory to enter corporate trade shows. A "Sales Permit" is a license and makes one obligated to collect taxes and to turn them over to the corporate government. Out of ignorance, most companies volunteer to obtain a license even though it is voluntary. Most government people enforcing Sales licenses assume every company is required to collect sales tax. That is what the majority believes.

### 12. debt vs DEBT

-When a government goes bankrupt it loses its sovereignty (important to remember later)

-First bankruptcy was after the Civil War- enter Act of 1871

-Second Bankruptcy was in 1933- Roosevelt

-Members of Congress are the official Trustees in the bankruptcy

Debt	DEBT
 <p><b>None!</b></p> <p>Wouldn't it be nice to be completely out of debt, personally, and have a stash of gold and silver besides?</p> <p>"The budget should be balanced, the Treasury should be refilled, Public Debt should be reduced, the arrogance of officialdom should be tempered and controlled, and the assistance to foreign lands should be curtailed lest Rome become bankrupt. People must again learn to work instead of living on public assistance." - Cicero, 55 B.C.</p>	<p><b>Trillions of Dollars</b></p>
	<p>First <b>bankruptcy</b> was in 1863</p>
	<p>In 1865 the total debt was <b>\$2,682,593,026.53</b></p>
	<p>A portion was funded by <b>1040 Bonds</b> to run not less than 10 nor more than 40 years at an interest rate of 6%</p>
	<p>When a government goes bankrupt, it <b>loses its sovereignty</b>.</p> <p>In 1933 the U.S. <b>declared bankruptcy</b>, as expressed in Roosevelt's Executive Orders 6073, 6102, 6111, and 6260, House Joint Resolution 192 (Public Law 73-10) of June 5, 1933 (31 U.S.C. 463) confirmed in Perry v. U.S. (1935) 294 U.S. 330-381, 79 LEd 912, as well as 31 United States Code (USC) 5112, 5119, Senate Report 93-549, and 12 USC 95a.</p>
	<p>Members of Congress are the official <b>Trustees</b> in the <b>bankruptcy</b> of the US and the re-organization</p>

### 13. Taxation

-Taxation is theft

-Income Tax is unlawful

-Inheritance Tax is unlawful

-BUT all are legal and limitless under the Laws of the Corporation

Taxation	TAXATION
Limits on taxation	<u>No limit</u> on taxation
<u>Direct</u> taxes such as " <b>Income taxes</b> " are <b>unlawful</b>	Income taxes are legal when properly applied and are ever increasing.
<u>Indirect</u> taxes such as <b>excise tax</b> and <b>import duties</b> are <b>lawful</b>	Other taxation's such as inheritance taxes are legal when properly applied.

### 14. Unalienable Rights vs Inalienable Rights

-By changing one word in the State's constitutions we went from God given rights to Government given privileges.

<p><b>Inherent rights</b> present at birth but not necessarily hereditary</p> <p><b>Unalienable rights</b> Rights from God that are not lienable.</p>	<p><b>Inalienable rights</b> Rights from the corporate government that can be liened against or taken away at any time. Very much like a '<b>privilege</b>'. <b>Unalienable vs Inalienable</b></p>

- "Government Privileges/Benefits":

- Social Security
- Medicare
- Medicaid
- Grants
- Disaster relief
- Food Stamps
- Licenses and Registration
- Privileges only, no Rights
- Experimentation on citizens without their consent

15. Records

- birth certificate
- death certificate
- marriage license
- demographic records

>>all held as records by the County Clerk Office to keep track of the corporate government's holdings which are applied as collateral to the increasing debt.

Records	RECORDS
<p><i>Ex-officio</i> clerks</p> <p>County Clerk is also Clerk of the superior court, (i.e. a court of <b>common law</b>) and "<b>courts of record</b>"</p> <p>Records are also kept by Sovereigns such as in a <b>family Bible</b></p> <p>Churches, in the old days were also known to keep records.</p>	<p>County Clerk</p> <p><b>Recorders Office</b></p> <p>Created by statute to keep track of the corporate government's holdings which are applied as collateral to the increasing debt. The written records are a continuation of the "<b>Doomsday Book</b>" which keeps track of the Crown of England's holdings. The "Doomsday Book" originated as a written record of the conquered holdings of king William, which was later the basis of his taxes and grants.</p> <p>Whenever something is registered it is actually being put into the kings domain. The word "<b>registered</b>" is derived from the word "<b>regis</b>" which means "<b>kingly</b>." Therefore, recording a document today is the same as registering it and putting it into the <b>kings domain</b>.</p> <p>Property recorded or registerd at the recorders office makes the corporate de facto government "holders in due course." Anything registered can be taken away at any time; that includes cars, guns, and your home.</p> <p>Your TV is <u>not</u> recorded there, therefore you are "holder in due course" for the TV.</p>

16. Free Enterprise vs Corporatism (USMCA)

-The thing created (the corporation) becomes more powerful than the creator (man) who created it. Man is no longer free but is subservient (a slave) to the corporate structure.

Free Enterprise	CORPORATISM
<p>The people engage in <b>free enterprise</b> by trading ones labor for another's labor.</p> <p>There is no filing, registering, or obtaining permission or licensing from any government structure.</p> <p>The people are responsible for themselves and each other.</p> <p>The people do not rely on insurance to overcome irresponsibility and capriciousness.</p>	<p>Composed of, encourages, and creates a corporate structure of corporations and big businesses that use people as human resources to further its goal to grow and expand and become more powerful thereby eliminating competition and becoming more controlling.</p> <p>The thing created (the corporation) becomes more powerful than the creator (man) who created it. Man is no longer free but is subservient (a slave) to the corporate structure. The corporate structure needs to reduce the wages of its human resources to decrease cost to increase profit to keep growing.</p> <p>Corporations eat each other and grow bigger and more powerful thereby allowing fewer persons having big egos controlling the lives of the common folk from cradle to grave.</p> <p>Corporations have no feelings. Corporations primary purpose is to grow and are thereby less responsible and less sympathetic towards the people, thereby rely on and utilize insurance or other resources such as the corporate government to bail themselves out of irresponsible critical situations.</p> <p>Most often, people start with a free enterprise but choose to be incorporated into the government structural system. To incorporate is to become a part of something bigger. Therefore, corporations are creatures created by the so-called government and are no longer a free enterprise. Corporations become big uncontrollable monsters who eventually control government by putting their people into office to maintain control. These monsters got out of their cages when they made fictions such as corporations equal with people by calling them "persons" having the rights equal to people. Most corporations eat each other up and become huge monsters, thereby creating monopolies that stifle "capitalism" in its true meaning. Corporations do not want competition. They want to eliminate competition using their power and politicians they purchased. They want to capture the system and use it for their benefit.</p>

The corporate structure needs to reduce the wages of its human resources to decrease cost to increase profit to keep growing.

-Corporations eat each other and grow bigger and more powerful thereby allowing fewer persons having big egos controlling the lives of the common folk from cradle to grave.

17. Schools vs Human Resource Development

-Public Schools are actually government schools paid for by forced taxation whether they want it or not.

-Teaches or indoctrinates?

Private schools allow for CHOICE in subject matter and education.

Schools	Human Resource DEVELOPMENT
<p>Enroll your child "sign up," "join"</p>	<p>Register your child "put into inventory"</p>

**Public Schools**  
 are actually government schools  
 paid for by forced taxation  
 whether they want it or not.

Teaches blind obedience  
 to the central STATE.  
 Similar to Nazi Germany.

"Give me a child  
 and I'll **shape him into anything.**"  
 — B. F. Skinner, Jewish psychologist and pioneer of behaviorism  
 "...modern methods of propaganda."

"The populace will not be allowed to know  
 how its convictions were generated.  
 When the technique has been perfected, every  
 government that has been in charge of education for a  
 generation will be able to **control its subjects**  
 securely without the need of armies or policemen..."  
 -- Bertrand Russell, "The Impact of Science on Society"

"...in the communist ideology ... education is tied  
 directly to jobs — control of the job being the  
 critical control point in an authoritarian state."  
 --Eugene Maxwell Boyce, Professor of Educational Administration at  
 the University of Georgia, The Coming Revolution in Education,  
 1983.

<p><b>Private Schools</b>          Colleges and universities were originally privately          owned and run by religious groups          Usually opened and closed with prayer to God</p>	<p>Colleges and universities changed over to          government control through grants and other          privileges such as accreditation.</p>
---	--

18. GUNS

-Does this even need explaining

Guns	GUNS
<p>Sovereigns have <b>a right</b> to own and use guns-            -"Right to bear arms" against "enemies foreign            and <b>domestic</b>".</p> <p>The founding fathers knew the importance of            protecting themselves from governments who get            out of hand.</p> <p>"Guns in the hands of  <b>good people is a good defense.</b>"            --Jack; Slevkoff 2012</p>	<p>This government <b>wants to disarm</b> the Citizens            so as to have complete control and power. Every            tyrannical government in the past has taken            away the guns to prevent any serious opposition            or rebellion. History continues to repeat itself            because the new generations who come along            don't know or tend to forget about the past and            will say it will not happen here.</p> <p></p>
<p><b>2nd Amendment</b>            "...the right of the people to keep and bear arms,            shall not be infringed."</p>	<p>Disregards the 2nd Amendment or justifies what            weapons should not be legal. Ever changing and            ever restrictive.</p>

19. Militia vs Military

-(they) used our People, who were citizens, and their desire to protect America as  
 justification to form and use the US Military as a tool to destroy other dissenting  
 sovereign nations/cultures

Militia	MILITARY
<p>Amendment II            A well regulated militia being necessary to the            security of a free state, the right of the people to            keep and bear arms shall not be infringed.</p>	<p>"Military men are just dumb stupid  <b>animals to be used as pawns in            foreign policy.</b>"</p>

20. Faith and Worship vs RELIGION

-Peep this, tax exemption is their permission from the government to exist

Faith and Worship	RELIGION
<p>Churches exist alone. No permission of government required.</p>  <p><b>1st Amendment</b> Protects against government making a law that would respect an establishment of religion or prohibit the free exercise of ones belief.</p> <p>The French and other romance languages get their word for church from the Greek word "ekklesia," meaning "called out" referring to all those, living or dead, who have accepted what Jesus, The Christ, has offered.</p> <p>"I do not go to a specific church but am just one member of The Church." --Jack; Slevkoff 1986</p>	<p>This government wants to control religious institutions by having them come under their jurisdiction as <b>corporations</b> under <b>Section 501(c)(3)</b> under Title 26 of the Internal Revenue Code (U.S. Code)</p> <p>This is to prevent the clergy, Pastors, Ministers, etc. from having any political influence on its members or the public in general. This government regulates what is to be said and not to be said.</p> <p>These churches also display the <b>gold fringe flag</b>. Their faith is in the government and not in God. They exist by permission of this government not</p>  <p>by God alone. They <b>signed away their Birthright</b> for a so-called benefit: <b>"Tax-exempt corporation."</b></p> <p style="text-align: center;"><a href="#">More info</a></p>

They subsequently went on to do the same to almost every sovereign nation in the world

>>implement war

>>bankrupt whatever nation they want

>>implement corporatization of their government to ensure payback of debt

>>add interest

>>perpetually in debt and enslave its citizens

And they use the Organic Acts to take control of unorganized land and decide how it's governed

KNOWING WHAT YOU JUST READ ABOUT CORPORATE AMERICA (globally too)  
WHO AND WHAT DO YOU THINK HE'S TALKING ABOUT?????????

Our movement is about replacing a failed and corrupt political establishment with a new government controlled by you, the American People.

The Washington establishment, and the financial and media corporations that fund it, exist for only one reason: to protect and enrich [themselves]. The establishment has trillions of dollars at stake in this election.

For those who control the levers of power in Washington, and for the global special interests they partner with – these people that don't have your good in mind – our campaign represents a truly-existential threat, like they haven't seen before.

This is not simply another four-year election. This is a crossroads in the history of our civilization that will determine whether or not we the People reclaim control over our government.

The political establishment that is trying to stop us is the same group responsible for our disastrous trade deals, massive illegal immigration, and economic and foreign policies that have bled our country dry. The political establishment has brought about the destruction of our factories and our jobs as they flee to Mexico, China, and other countries all around the world.

It's a global power structure that's responsible for the economic decisions that have robbed our working class, stripped our country of its wealth, and put that money into the pockets of a handful of large corporations and political entities.

This is a struggle for the survival of our nation. And this will be our last chance to save it. This election will determine whether we are a free nation or whether we have only the illusion of democracy, but are in fact controlled by a small handful of global special interests rigging the system. And our system is rigged.

This is reality. You know it. They know it. I know it, and pretty much the whole world knows it. The Clinton Machine is at the center of this power structure. We've seen this firsthand in the WikiLeaks documents, in which Hillary Clinton meets in secret with international banks to plot the destruction of U.S. sovereignty in order to enrich these global financial powers, her special-interest friends, and her donors. Honestly, she should be locked up!

The most powerful weapon deployed by the Clintons is the corporate media, the press. Let's be clear on one thing: the corporate media in our country is no longer involved in journalism. They are a political special interest, no different than any lobbyist or other financial entity with a total political agenda, and the agenda is not for you. It's for themselves. Anyone who challenges their control is deemed

a sexist, a racist, a xenophobe. They will lie, lie, lie and then again, they will do worse than that. They will do whatever is necessary. The Clintons are criminals. Remember that. This is well-documented and the establishment that protects them has engaged in a massive cover-up of wide pread criminal activity at the State Department and the Clinton Foundation in order to keep the Clintons in power. They knew they would throw every lie they could at me and my family, and my loved ones. They knew they would stop at nothing to try to stop me. Nevertheless, I take all of the slings and arrows gladly for you. I take them for our movement so that we can have our Country back. I knew this day would arrive. It's only question was when. And I knew the American People would rise above it and vote for the future they deserve.

The only thing that can stop this corrupt machine is you. The only force strong enough to save our country is us. The only people brave enough to vote out this corrupt establishment is you, the American people. Our great civilization has come upon a moment of reckoning.

I didn't need to do this folks, believe me. I built a great company, and I had a wonderful life. I could have enjoyed the fruits and benefit of years of successful business deals and businesses for myself and my family instead of going through this absolute horror show of lies, deception and malicious attacks. Who would have thought?

I am doing it because this country has given me so much. And I feel so strongly that it's my turn to give back to the Country that I love. I'm doing this for the people and for the

The White House on Monday released its first stand-alone proposal for higher-education reform, urging the U.S. Congress to enact laws affecting accreditation, Pell Grants, and student-loan repayment.

The plan repeats themes raised in President Trump's 2020 federal budget proposal and reflects division between Democrats and Republicans over the federal government's role in regulating the forces that shape colleges and the for-profit sector.

Trump's budget proposal for 2020, released last week, includes a \$7-billion cut in the U.S. Department of Education, a changed student-loan repayment process, and the elimination of the Public Service Loan Forgiveness program.

The last century has produced an American economy where more jobs than ever before require at least some postsecondary education or skill development.

Wage premiums and job security continue to be associated with postsecondary education or skills attainment; however, the rising cost of college education and the accompanying growth in student loan balances erode the wage premium associated with a college degree.

President Wants to Use Executive Order to End Birthright Citizenship  
14th amendment

### President Wants to Use Executive Order to End Birthright Citizenship

President Trump wrongly said that the United States was the "only country in the world" where a baby born there automatically has citizenship. In fact, dozens of countries grant it.

<https://www.nytimes.com/2018/10/30/us/politics/trump-birthright-citizenship.html#click=...>

Through the system of birthright citizenship many people become citizens by just coming across the border and having a baby in the US. Fun little loophole. Voting Numbers, Representatives, and Demographics change when this happens.

Well national parks and monuments are land that is owned by the federal government. In this case, the corporation of the United States. Obama designated whatever he wanted as national monuments and Trump said it was a wild abuse of power.

Why. Bc if the federal government is operated out of DC and its assets now include America's land then they can sell those lands to other countries. Corporate law.

Obama then gave eminent domain to China

<https://renew.com/general85/chinainc.htm>

This is a big problem as you can see now. China has now completely infiltrated America's schools, businesses, manufacturing, land, and real estate.

Part of that executive order of trump wanting a review of the national monument designation and everyone thought trump was trying to get rid of national parks, he was really saving them from being sold off through the corporation.

#### Trump executive order could rescind national monuments

Major national monuments designated since 1996 could be reversed under unprecedented order.

Unironically AGAIN, COVID caused financial crises allowing DJT to absorb the Federal Reserve, in March 2020, into the US Dept of Treasury for the purpose of being able to protect the public and private economy from fall-out. This man, DJT, is SOOO SMART.

Meet your New Fed Chairman, Donald J. Trump

Everyone should read this article, it explains how we were able to absorb the Fed and what it means going forward.

<https://www.bloomberg.com/opinion/articles/2020-03-27/federal-reserve-s-financial-cure-risks-being-worse-than-disease>

You're probably asking yourself, "how are we getting all of this money to give to the Citizens for Economic Relief due to COVID? If we are taking it from the FED aren't we more in debt?"

>If the US Dept of Treasury owns the FED then the Federal Government owns the debt. If DJT owns our debt do we really even have debt?

Even better, Donald Trump is using what is known as the ESF, or Exchange Stabilization Fund to fund our Economic Recovery. On paper it is controlled by the US Treasury but operated by the Federal Reserve as a means of stabilizing the value of the dollar.

Since there isn't any gold to back it up, they can either inject or withdraw dollar amounts from this fund in order to maintain a certain value of that dollar. They also then adjust interest rates as well. This ESF, pulls money from the IRS (your tax dollars) to fund itself.

Officially in charge of defending the dollar, the ESF is the government agency which

controls the New York Fed, runs the CIA's black budget, and is the architect of the world's monetary system (IMF, World Bank, etc).

THE DS USES YoUR MoNEY TO Do WHATEVER IT WANTS ANYWHERE IN THE WoRLD WITHoUT CoNGRESSIoNAL oVERSIGHT AND WITH CoMPLETE IMPUNITY

It is estimated that since its inception they have taken hundreds of trillions of dollars from US tax dollar coffers. Read that again.

THAT ENDED IN MARCH 2020 THANKS TO DONALD J. TRUMP.  
AND.... SUBSEQUENTLY, WE TOOK ALL THAT MONEY BACK

BREAKING THE ESTABLISHMENT KNOWS WHAT IS REALLY

When a government goes bankrupt, it loses its sovereignty.  
 Interesting that we own the Fed and the ESF now, isn't it?  
 And don't forget this:  
 Executive Order Blocking the Property of Persons Involved in Serious Human Rights  
 Abuse or Corruption

If I had to guess, I'd say He's going to use the assets of their criminal actions to pay  
 off the debt hundreds of times over. These Criminals had MANY years of money,  
 gold, silver, etc hoarding and those assets will be the very assets that set our Republic  
 FREE of Corporate Rule.

and to top it allllll off, in case everything above wasn't enough to convince you,

Trump mentioned sovereignty 21 times in a speech heralding a new American  
 worldview

“Our success depends on a coalition of strong and independent nations that embrace their sovereignty, to promote security, prosperity, and peace, for themselves and for the world.”

“We do not expect diverse countries to share the same cultures, traditions, or even systems of government, but we do expect all nations to uphold these two core sovereign duties: to respect the interests of their own people and the rights of every other sovereign nation.”

We will take back this country for you  
 And we will Make America Great Again  
 DJT

>>You have more than you know  
 >>He has been telling us from the beginning  
 >>And...

>>>Every action he has taken has been to undo the Act of 1871 and the Corporation formed because of it. Not only that but the reason all of these other nations are so willing to join him and make deals is because he’s promising them sovereignty.
